Mya, the All Adept

by MiaQc

Summary

A Golden Sun fanfic I wrote in 2004 as a teenager on the Golden Sun Bazar website under the pseudonym Water Seer. I was able to recover it thanks to Wayback Machine. A story where there's an obvious Self-Insert and Mary Sue in the character of Mya.
Isaac and his friends embark on another adventure and meet Mya, the All Adept.
I've only corrected mistakes in the text without changing the formatting. The dialogues are like this "Character: Dialogue" and the thoughts are between quotation marks.
The rape warning is there because it's mentioned in the story but there's no sexual scene.

- A translation of Mya, l'Adepte de Tout by MiaQc

Chapter 1: Mia and the mysterious girl.

Isaac and his friends are exhausted. They have just rebuilt Vale (which was destroyed by Mount Aleph's eruption).
Isaac : We deserve some rest...
Garet : ...after all we've done. But I want to tell you one thing, I NEVER WANT to go on another adventure again.
Mia : Garet!
Garet : What?
Felix : I feel like another adventure is about to begin.
Jenna : Are you sure?
Sheba : Really sure?
At the same time...
Kraden : ISAAAAAAAAAAAAAAAAAAAAAC!
Isaac : Kraden? What's going on?
Kraden : I've got something important to tell you, but please don't interrupt. I've seen the Wise One...
Everyone (i.e. Isaac, Felix and their Parties) : WHAT!!! THE WISE ONE!!!
Kraden : I TOLD YOU NOT TO INTERRUPT ME!
Jenna : Sorry.
Sheba : Please continue.
Kraden : Well, I saw the Wise One and he told me that a force of darkness, an evil demon, has come to this land and we must stop it.
Isaac : It's not a problem, we'll take care of it. Won't we?
Garet, Ivan and Mia : YES!!!
They walk away.
Jenna : Hey! What about us!
Sheba : We want to help you!
Isaac : Fine, you can come.
Jenna and Sheba : GREAT!!!
Piers : Felix…
Felix : I'm not going to let them go alone.
Piers : Just as I thought. I'm coming too.
Kraden : I have one more thing to add. The Wise One also said that you're going to be helped by a strange person.
Mia : By a strange person?
At the same time, a mysterious force sends Mia into the air and away from the others!
Isaac and Ivan : MIAAAAAAAAAAAAAAAAAA!
Kraden : Oh no, Mia!
Mia continues to move away and Garet can't see her anymore.
Garet : We... can't do anything. NO MIAAAAAAAAAAAAAAAA!!!

"I'm scared," thought Mia, "what's going to happen to me? And where am I going?" She is now floating over a mountain. The force disappears... "Oh no! I'm going to..." ...and Mia falls. "...fall!!!"
Mia falls and falls and falls... but a hand catches her and pulls her to the ground. Mia looks at the person. She's a young girl about her age, with blond hair and blue eyes. She's dressed strangely. It looked like she was wearing boys' clothes and, strangest of all, she had a sword and a mirror shield.
Mia : Thank you! You saved my life!
The girl : …
Mia : ?
"Here she is avoiding my gaze. Why does she do that? Maybe she's shy? Yet..." Tons of questions began to bombard her head. Mia wants to know everything about this girl.
Mia : You must be shy... but I'm very grateful. You saved my life, you know?
The girl remains silent.
Mia : And you deserve a reward. But what can I give you? I've been separated from my friends and... (She suddenly got a funny feeling, as if...), but... YOU'RE READING MY THOUGHTS!!!! How? You... you know how to do Mind Read!
The girl made funny noises with her mouth, as if trying to say Mind Read.
Mia : Mind Read. Do you know how to do Mind Read Psynergy?
The girl : P… psy…
Mia : Psynergy.
The girl : Psy-er-er-gy?
Mia : No. Psynergy. Psy-ner-gy.
The girl : Psy-nergy? Psynergy?
Mia : Yes, that's it. Mind Read Psynergy. Do you know how to use it?
The girl : ?
Mia : It's no use. You mustn't understand a word I'm saying. I know it may not work, but... (She puts her hand on her chest) Mia.
The girl furrowed her brows, trying to understand. Mia repeated her name several times and, on the sixth time, the girl pronounced it.
Mia : All right, then! Now, you. Me, Mia. (She put her hand on his chest.) You...
The girl : Mya.
Mia : No. I'm Mia. What's your name?
The girl : Mya.
Mia : Wait a minute. Your name is Mia too? But with a "y"?
The girl nodded.
Mia : Well...

Meanwhile, Isaac and the others set off in search of Mia. No matter how hard they searched, they couldn't find her. Then Garet saw a strange mountain.
Garet : I bet she's on top of that mountain.
Sheba : Let's go get her.
Kraden: I won't have the strength to follow you. I'll go back to Vale.
Kraden left and our heroes set off up the mountain.

Meanwhile...
Mia : You're making great progress! Soon you'll be able to make complete sentences.
Mya : Thanks but... what Adepts?
Mia : Let me explain...
After explaining everything...
Mia : Are you an Adept?
Mya says yes.
Mia : So you're a Fire Adept? Water Adept?
Mya : All Adept.
Mia : All Adept?
Mya : Me... having... all, all Psynergies.
Mia : You have all the Psynergies!!! Impossible!
Mya : Me show. What word for... for...
Mia : Move an object? Move.
Mya : MOVE!
The white hand appears.
Mia : !
Mya : Uh... for...
Mia : Ray.
Mya : RAY!
Mia : Try Pure Wish.
Mya : PURE WISH!
"It works too! She really does have all the Psynergies!"
Mia : I believe you. You have all the Psynergies.
Ivan and Sheba :
AAAAAAAAAAAAAAAAAAHHHHHHHHHHHHHHHH!

Chapter 2: The Clan.

Mia : It's Sheba and Ivan!
Mya : ?
Mia : They're my friends! I have to save them!
Mya : Yes.
Mya takes Mia's hand and they teleport away. They appear before Isaac and company, who are being slaughtered by a dragon. Sheba and Ivan are dead.
Mia : Isaac! Garet! Felix! Jenna! Piers!
Garet turns around.
Garet : Mia! (He receives a fireball.) OUCH! Isaac, cover me!
Isaac : All right!
Garet : Mia, who is this girl?
Mia : Her name is Mya.
Garet : Are you serious?
Mia : Yes. Mya what are you doing!
Mya had taken the plunge.
Mya : PURE WISH!
Everyone gets 400 HP back!
Mya: Uh…
Isaac : REVIVE!
Sheba comes back to life.
Mya : RE-REVIVE!
Ivan comes back to life.
Garet : Well, you know how to fight!
Mya answered nothing and defeated the dragon in no time.
Garet : But who is this girl! She's got all the Psynergies! She looks like a goddess. Do you think she has Alchemy?
Felix : It can't be. Isaac has it.
Isaac : It doesn't even look like I have it.
Felix : …
Piers : Whatever the case, she knows how to fight. At a high level.
Sheba : What's strange is... her clothes?
Mia : That's true, but I couldn't ask her.
Jenna : Why?
Mia: She doesn’t know how to speak.
Everyone: WHAT!!!
Mia : I taught her a few words, but nothing more.
Jenna : Does she even know we're Adepts?
Mia : Yes, I explained it to her.
Garet : That's all very good, very good indeed... But what about the demon?

Jenna : It's true, we have to fight the demon!
Piers : Mya may have come here to fight him, too.
Garet : We'll never know because she can't talk!
Mia : Garet!
Garet : Mi…
Mia : Shame on you for saying that! Maybe you're making fun of her people!
Mya : Me... not have... people.
Mia : It's impossible, Mya! Everyone has one! What's it called?
Mya : ... the Clan.
Garet : The Clan? The Clan of what!
Mia : Garet!
Mya (avoiding his gaze): The Clan... the Clan.
Piers : You mean only the Clan?
Mya nodded "yes."
Sheba : And where does this Clan live?
Mya : Uh…
She made a few incomprehensible gestures.
Sheba : I don't get it.
Ivan : This must be her language. Gestures... and body language.
Garet : It still doesn't tell us where it came from!
Mya : …
Garet : Huh? Am I hallucinating or is she crying?
Felix: She holds back. She holds back her tears. Why?
Ivan : I have an idea how to find out. (He approaches her.) MIND READ!
Mia : Ivan?
Ivan began to sweat.
Garet : Are you okay, Ivan?
Ivan : I... cannot... probe her mind. It's... protected. I... can't... do it!
Sheba : I'll help you, MIND READ!
Piers : It won't work. Please stop! Before you lose all your HP.
But Ivan and Sheba weren't listening.
Piers : STOP!!!
It's too late. Ivan and Sheba die.
Mya (realizing what's going on.): Uh... REVIVE!
Ivan and Sheba come back to life and something strange happens. Sheba's eyes start to glow.
Felix : Sheba?
Sheba : I'm not She-Sheba. It's me, Mya.
Garet : WHAT!!!
Mya : I've taken control of Sheba so I can talk to you while I learn your language. Ah! Er... MIND READ!
Ivan : What... are you... why are you probing... my mind...?

5 seconds later...
Mya : Forgive me, Ivan, for earlier. My mind cannot be probed.
Ivan : I understand. You really protected it well! Uh... when you probed my mind, what did you see?
Mya : Well... I only probed your mind for your name.
Ivan : I don't believe you.
Mya : You're right. I also probed your mind for the names of other Psynergies.
Garet : Because you only know how to say them in your own language?
Mya : Correct. (She pauses for a long moment.) You're a Fire Adept, aren't you?
Garet : HOW DID YOU GUESS? YOU DID MIND READ ON ME!
Mya : No! I just know. I know that Fire Adepts are harsh, stubborn. They say out loud what they're thinking, they always have something to say and... they'd rather use their blade than their mighty powers.
Garet : That's... all me.
Mya : That's what I thought. Now, I think you want to know what the Clan is.
Everyone: YES!!!
Mya : Well, let me explain. The Clan is an ancient civilization. So ancient, in fact, that they live far from the Others.
Jenna : Others?
Mya : People like you. That's what we call you. I'll continue. They live far from the Others, on an unknown continent. They're afraid of the Others, because they're different in language, but also in physical appearance and beliefs. Clan members can't... cry, nor... MIND READ! (On Ivan.) ...laugh and they can't... (she read Ivan's thoughts again)... swim. They also believe in the four Spirits who created Life. Mercury, Venus, Mars and Jupiter and each individual in the Clan had one of the four spirits as their protector. They each had an amulet representing their Spirit and had to put the "signs" the Spirits sent them inside. Signs are objects... that are... let's say special to the person who sees them. Only he knows whether it's a sign or not. Women often had Venus or Jupiter. Men always had Mars. Rarely did anyone have Mercury. (They fear water.) The amulet was considered a person's soul. The person must never lose it. There's also a tradition that says women should respect men, because they're the only ones who can fight.
Garet : That's why you avoided my gaze earlier.
Mya: Yes, that's why and I was raised by the Clan. A healer called Izana took me in when I was 4, she raised me and taught me all about the Plants That Heal but, at the age of 12, I discovered I had Psynergy and no one believed me, because nobody has Psynergy in the Clan. So

I did what a woman shouldn't do. I learned to wield the blade.
Garet : It's forbidden! Well... partly.
Mya : It was forbidden so they banished me three years later, but before I left I knew I was an Other. Izana told me before she died. So I left and tried to find out who my family was, but I knew there was a demon here so I came to fight it. But (her eyes filled with tears) I'm sad, because I had to leave my deformed son behind.
Mia: You had a son!
Mya : Yes, a man who hated me... raped me and... I had a child. I was... 13 at the time.
Piers : BUT IT'S INHUMAN!
Mya : NO! IT'S ANOTHER CLAN TRADITION! WHEN A MAN DESIRES A WOMAN, HE GIVES HER A SIGN AND THE WOMAN MUST SUBMIT TO HIS DEMANDS. THAT'S WHAT HE DID TO ME, BECAUSE HE KNEW I WOULDN'T LIKE IT. BUT... I held out... thanks to the four Spirits.
Mia : Were you protected by the four Spirits?
Mya : I'm still protected by them. Take a look.
She fetches a small bag with a rope.
Mya : This is my amulet. Every sign I picked up led me here, and I knew it was to fight that demon. In fact, I even knew I was going to meet you. Because I had a vision of the future.
Mia : And you knew I was going to fall?
Mya : Yes, or I wouldn't have caught you. Thanks to my visions, I've also found a name for my son: Isaac.
Isaac : HOW!!!
Mya : Yes, I'd had a vision and heard Mia calling out your name. I thought it would be perfect for him.
Issac blush.
Mya : Now that you know everything. I'm going to leave her body.
Sheba falls unconscious and, when she wakes up, Mia explains everything and the earth begins to shake.

Chapter 3: The kidnapping and Flint.

Felix : What's going on?
A mysterious force propels the boys into the air.
Flint (Coming out of Isaac's body) : What's going on?
Isaac : Flint! Get inside me, quick!
Flint falls.
Isaac : FLINT! No... AH! WE DISAPPEAR!
The guys vanish into thin air.
Jenna : Oh, no! What's happened to them?
Mya couldn't say, but she knew what had happened. The demon had captured them. Jenna, Mia and Sheba take off in the air as well and they split up, being dragged along by the evil forces.
Flint (hurt): Oh no! What's happened? Ah! (He sees Mya and rushes to her.) Where's Isaac?
Mya (who doesn't understand): ...
Flint: Where is he? Where's Isaac? Ah! You don't understand a word I'm saying! WHERE IS ISAAC?
Mya, who was used to being shouted at (something that often happened to her when she was with the Clan) didn't react. She had an idea to try and understand this mysterious creature.
Mya (putting her hand on her chest): Me Mya. You?
Flint: Wait. Your name is Mia?
Mya: No, Mya. You?
Flint : Oh right, Mya! I'm Flint, a Venus Dijinni.
Mya : ?
"She didn't get it at all. I'll make it simpler, Flint thought."
Flint: Flint. My name is Flint.
Mya : Fl…
Flint : Flint.
Mya : Flinnnt! Flint!
Flint : Yes, that's it! I'm a Venus Dijinni.
Mya : Di-Dijinni?
Flint : Yes, my name is Flint and I'm a Venus Dijinni.
Mya : You, Flint. Venus Dijinni.
Flint: That's about right. Now...
Mya: Find... Sheba! But first... PURE WISH!
Flint's wound disappears.
Flint : Yes, let's find the girls!

Chapter 4: Dark Jenna.

Mya and Flint set off in search of the girls. He had hardly walked when he heard a scream.
Flint : It's Fever!
Fever, a Dijinni from Garet, was caught in front of a girl who is Jenna's look-alike.
Flint : LEAVE HIM ALONE!
Jenna's doppelganger : Ah! New ones. My name is Dark Jenna and I'm going to beat you! CYCLE BEAM!
Mya (receiving the attack) : AAAAAAAAAAAAHHHHHHHH!
Dark Jenna : HA HA HA HA HA!
Flint : Mya!
"I need to find her weakness. She's a Fire Adept so... water! I have to use water! But I don't know how to say... Ah! I don't care! I'll beat her in my language!"
Mya (In her own language.) : ICE MISILLE!
Dark Jenna : AAAAAHHHH!
Mya (Still in her own language.) : And it goes on! GLACIER!
Dark Jenna : You... won't... get me! COOL AURA!
Dark Jenna takes back 200 HP!
Flint : Damn!
Fever : I'm glad you've come to help me but come on!
Jenna : METEOR, HELP ME!
Flint : Jenna!
Dark Jenna disappears and Jenna arrives.
Jenna : I arrived just in time!
Fever : Thanks.
Jenna : Ah Fever! I'm glad you're here. You're coming with me.
Fever : No way!
Jenna : Why?
Fever : I only obey Garet.
Jenna : You can make an exception now!
Fever : No!
Flint : Why don't you go with Mya?
Fever : Um…
Flint : I'm going with her.
Fever : I'm going with her too then.
Fever enters Mya, who remains astonished. Flint explains as simply as possible how Dijinnis and invocations work. She understands and Flint enters her.
Jenna : Okay. Follow me, Mya. We'll find Sheba and Mia.
Mya (singing) : Jenna joint Party.

Chapter 5: Alex.

Jenna and Mya walk to find Sheba and Mia. They find Mia unconscious a little further away.
Jenna : How are we going to wake her up?
Mya pulls out a small bag as old as her amulet. From the bag, she takes out three kinds of plants, which she chews to make a mash. She gives the mash to Mia who wakes up.
Mia : Ah! Uh... What happened?
Jenna : We found you unconscious...
Mia : I remember now! The force carried me away and Alex appeared. He told me he was looking for someone. I told him I couldn't help him and he said it was someone I knew. I immediately thought of you, Mya, because Alex wants Alchemy and something tells me you've got it. I didn't want you to get into danger so I didn't say anything. Thus he left, the force gave out and I fell.
Jenna : I... see.
A scream was heard. The girls saw Sheba, clinging on to keep from falling.
Sheba: HELP!!! I'M GOING TO... FALL!!!
Mya, Jenna and Mia: SHEBA!
Sheba holds on with all her might, but let’s go.
Mia : OH NO!
"Jupiter, Spirit of the Wind, come to my aid! Save this Adept who believes in you. I, Mya, conjure you. Save her!"
A wind began to blow and Sheba's fall slowed.
Sheba : I'm going to crash anyway! (Alex appears.) Alex! What are you doing here?
Alex : I'm looking for someone... and I'll do anything to get her.
Mia : Alex, save Sheba!
Alex : Why should I save her?
Mia : Because you're the only one who can save her!
Mya : Not true.
Jenna : What!?!
Mya disappears, reappears near Sheba, hugs her, and they disappear. They appear near Jenna.
Sheba : You saved my life! Thank you, Mya!
Mya smiles.
Sheba : It must mean "you're welcome."
Alex : At last I've found you, Mya!
Alex charges at her and...
Mya : MIND READ!!! (On Sheba, Mia and Jenna.)
Sheba, Mia and Jenna: Why... are... you... doing... this?

"Great!" thought Mya. "I know the names of all the Water, Fire, Wind and... (she probes the girls' minds even more)... Earth Psynergies! I know all the Psynergies names! And their effects too! I even know the invocations! You, you're in trouble!"
Mya : INFERNO!
Alex : Not bad at all... Let's see how you react to this. DELUGE!
Mya : AH! "Hey! But it's only water! You could do better! I'll use the Dijinnis." FEVER!
Alex : PLY!
Alex recovers 100 HP.
Mya : CA-CANON!
Jenna : Hey! That's one of my Dijinnis!
Mia : Can it be... that all Dijinnis obey her?
Mya : CHAR!
Alex is paralyzed!
Alex : I can't move!
Sheba: Go Mya! Give him a beating he'll remember!
Mya : CORE! "And now that 4 Dijinnis are ready, I'll be able to..." METEOR!
Alex : AAAAAAAAAAHHHHHHHH! It's ok... I surrender. You're stronger than I thought, but I'll get you next time. Ah yes if you're looking for the demon. (He conjured up a yellow whirlpool.) Go into that whirlpool.
Alex disappears and Mya goes into the whirlpool and disappears.
Jenna, Sheba and Mia : WAIT FOR US!
They go into the whirlpool and disappear.

Chapter 6: Mya's Party against the demon.

They reappear in a castle. Mya arrives, looking frightened. Sheba reads her mind and...
Sheba: Quick, let's go to the dungeons!
The girls rush off to the dungeons. Once there, they watched in horror as the guys were chained to the wall. They all looked dead, but...
Garet : Girls... is that... you?
Jenna : Garet, you're alive! But why are your eyes closed?
Garet : It's that cursed demon. He put a spell on us that blinded us. We couldn't fight anymore, so he chained us here. The others died. He killed them for his own pleasure... and now it's my turn.
Mya : No!
Garet : ?
Mya : Me find demon and me... beat him!
Sheba : And we're going to help you.
Mia : You'll be our leader.
Jenna : And we're going to call our team, "Mya's Party".
Sheba : Mya's Party... that's fine with me.
Mia : Me too. All right, let's find this demon.
Mya's Party set out to find the demon. They searched everywhere, but found no trace of him.
Mia : We could split up. What do you say, Mya?
Mya nods "yes" (she's beginning to understand the Others' language better).
Mia : All right, then. I'll check out the lobby.
Jenna : Me, the throne room.
Sheba : And I'm going back to the dungeons. After all, the demon might be there.
Mia : All right, see you in five minutes!
The girls split up and Mya found herself alone. Suddenly she hears a voice. An evil voice addressing her in her own language.
The Demon : You made a big mistake letting them separate. It will be easier...
Mya had a vision. "Sheba... is being killed! No! I have to warn the other girls!" Mya rushed to the lobby.
Mya : Mia! Sheba danger!
Mia : What, Sheba's in danger?
Mya : Oui. Sheba great danger!
Mia : Let's go! But first let's warn Jenna!
Mia and Mya pick up Jenna and head for the dungeons. Once there...
Mya : Sheba!
Sheba : I... can't see.

Mia : Oh no, she's blind!
The Demon : And that's what's going to happen to you. Sortatum Noléba!
Mia, Jenna and Mya : AAAAAAAAAAAAAHHHHHHH!
Garet : No, not that!
All the girls have gone blind!
Jenna : I can't see a thing!
Mia : We can't fight like that.
Mya : Yes. Can fight. Other senses. U-Usi-Using other senses.
Sheba : What other senses?
Mya : MIND READ! (On Sheba.) Ear, nose and hand.
Jenna : I don't get understand!
Garet : I understand. If our eyes fail us, we have to use our ears, hands and nose. We have to touch, feel and listen to the sounds around us. That's it! That's what you have to do!
The Demon : Idiots! You can't do anything to me without your eyes! PYROCLASM!
Everyone receives the attack. Well... almost everyone.
The Demon : H-How could you dodge my attack!
"Mya dodged it," Garet thought.
Mia : She dodged it!
Jenna : How did she do it!!!
Sheba : It must have something to do with what she told us about the other senses... We have to use our ears!
Mia : Yes. Mya show us, show us how to use our other senses.
Mya : Me show. (The girls hold hands.)
The Demon : FLARE STORM!
Mya jumps at the same moment, but the girls jump after her and receive the attack.
Jenna : HEALING AURA!
Only Mya and Sheba get 100 HP back!
Jenna : !
Mia : We should have picked up 100 HP. What's going on?
The Demon : You're not united, linked! And if you're not united, you don't stand a chance!
Mia : But what do you mean by "united" and "linked"?
Alex : I know what he's talking about.
Garet: Alex! Where are you?
Alex : Where I am doesn't matter. What matters is this.
Garet : What's "this"!
Alex : Mya knows what I'm talking about. Fusion. There's no other way, if you want them to understand what it is to be united and linked.
Sheba : Fusion?

Garet : The fusion of what!
At the same time Mya concentrates and Mia, Jenna and Sheba merge with her!
Jenna : What's happening to us?
Sheba : We are all in the same body!
Alex : Yes, in Mya's. Come on, Mya, show them what it's like to be united and linked.
The Demon : You'll show them nothing! DRAGON FUME!
Mya dodged the attack and Mia and the other girls felt a strange sensation. Mya continued to dodge more Psynergies and the girls knew what was that sensation.
Mia : We know what it's like to be connected! Now let's demerge!
The girls demerge and their Dijinnis go into standby all by themselves!
Mia : Who did this?
Mya smiled at her.
Sheba : It's you! Awesome! THOR!
Jenna : METEOR!
Mia : BOREAS!
Mya (using Piers' Dijinnis): BOREAS!
The Demon : NO! I CAN'T STAND WATER!
Mia : Let's go on. BOREAS!
Sheba : THOR!
Jenna : METEOR!
Mya : MOLOCH!
The Demon : Oh... no... I'm... going to...
Mya : AZUL! MEGAERA! FLORA!
The demon dies.
Garet : You... You got him!
Mia : Yes, we got him!
Mya brought the other guys back to life and everyone recovered their sight.
Ivan : What happened? I feel like I missed an episode.
Isaac : Yes. Garet, what happened?
Garet tells it all, down to the smallest detail.
Piers : Incredible... I would have liked to see that.
Felix : Uh? Where's Alex?
Mia : He left.
Kraden arrive.
Isaac : Kraden! What are you doing here?
Kraden : I've come to...
The Wise One appears.
Kraden : ...warn you. O Wise One, I beg you! Please do not do this!
Wise One : It's too late now. I'm going to give Alchemy back to the one who deserves it.

Garet : You're going to kill Mya to steal her powers and give them to Isaac!
Wise One : Exactly.
Ivan : But it's impossible for her to have Alchemy. She discovered her powers at the age of 12, and back then the Lighthouses weren't lit.
Wise One : True, but she's got it anyway.
Alex appears.
Alex : It's true she has it, but you can't kill her.
Wise One : What makes you say that?
Alex : You won't have the courage to eliminate her. She's perfect.
Garet : Perfect?
Alex : This girl is perfect. A rarity like that can't be destroyed.
Garet : Perfect...
Isaac : What's the matter with you, Garet? You seem to be falling in love with her.
Garet : That's what happens to me...
Wise One : ... I'm not going to kill her. I can't, but swear to me that you'll protect her so that no demon gets hold of her powers.
Everyone but Mya : We swear it!
The Wise One and Alex disappear.
Kraden : Let's go back to Vale!
Everyone returns to Vale.

A month has passed, and Mya can now speak. She has also married Garet. She was practicing with her blade when Alex appeared.
Mya : What do YOU want from me!
Alex : Is it true? That you're married to Garet?
Mya : Yes. Is that a problem?
Alex : No. Just...
Mya : I know, Alex. I know you've fallen for me too, like all the men I meet but... I'm already taken. You know that.
Alex : …
Mya : You're still going to protect me. Won't you?
Alex disappears.
Mya : Alex?
"Where did he go?"
